Re: Ready for Warren PAC

To Whom It May Concern:

We are writing as counsel to Senator Elizabeth Warren in response to the recent activity of an organization called Ready for Warren PAC. By the organization's own admission, its goal is to encourage Senator Warren to run for President in 2016.

This letter serves as a formal disavowal of the organization and its activity in accordance with 11 C.F.R. § 100.3(a)(3). The Senator has not, and does not, explicitly or implicitly, authorize, endorse, or otherwise approve of the organization's formation or activities. To the contrary, Senator Warren has publicly announced that she is not running for President in 2016. Instead, the Senator hopes this organization will focus its attention and energy on maintaining Democratic control of the US Senate and not confuse donors about a non-existent run for President.

Please do not hesitate to contact us if you have any questions regarding this matter.

Very truly yours,

Marc E. Elias
